AND AFFORDABLE

ACHIEVE THREE ZONES OF PROTECTION FOR UNDER \$200 A MONTH

for
HAIR
SALONS

by
aerovex
SYSTEMS

The Aerovex Systems logo graphic consists of a series of concentric, overlapping circles or rings, creating a sense of depth and motion. The rings are composed of small, dark blue squares, and the overall effect is a glowing, circular pattern.

Meeting New Air Quality Standards Is as Simple as 1, 2, 3 With Aerovex Systems' Three Zones of Protection

with the Dust Plus Filter®

1. Clean the air throughout your workspace by replacing inadequate standard-sized heating, venting and air conditioning (HVAC) filters with the Dust Plus Filter®. Make breathing easier with quality air exchange. Dust Plus filters provide:

- Optimal air flow for more balanced heating and cooling
- Removal of salon-specific chemical vapors
- Odor control with replaceable Activated Carbon panel
- Allergy relief
- Dust trapping and collection
 - Greater dust-holding capacity

Dust Plus Filter® comes with a lifetime warranty.

DUST PLUS

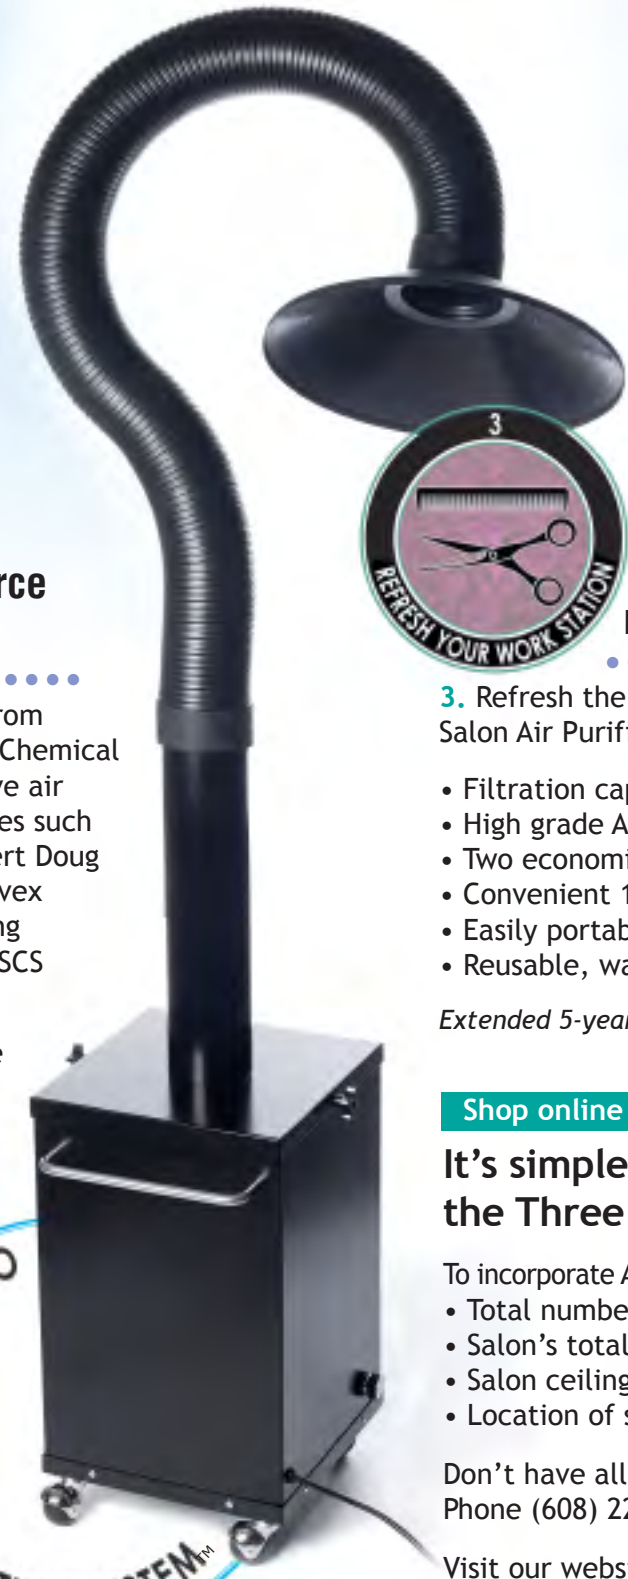

with the Chemical Source Capture System™

2. Protect your stylists and customers from harmful hair-smoothing fumes with the Chemical Source Capture System™ (CSCS). Improve air quality in and around other salon services such as coloring and perming. Scientific expert Doug Schoon of Schoon Scientific, found Aerovex Systems' CSCS to be effective in lowering chemical exposure to safe levels. The CSCS comes with:

- 6" Refillable Activated Carbon module for removal of toxic formaldehyde vapors
- An attractive, easily positioned hood
- Handle and wheels for portability
- Low operation noise level
- Compact storage - fits in any corner
- Recommendation by Eco-Friendly Salons & Spas

Extended 5-year warranty available with CSCS.

with "The One That Works"™ Salon Air Purifier

3. Refresh the air around your workstation with a fountain flow of fresh air from "The One That Works"™ Salon Air Purifier. Circulate fresh air throughout the salon with "The One That Works"™. Features include:

- Filtration capacity for a 1,000 sq. ft. space
- High grade Activated Carbon
- Two economical speeds
- Convenient 16.5" diameter x 15" height size
- Easily portable 3-wheel cart
- Reusable, washable dust filter

Extended 5-year warranty available with "The One That Works"™

Safe Salon Ventilation Made Simple

With Aerovex Systems' Three Zone Protection™ Package

Using any of the Aerovex Systems' products will improve the air quality and safety in your salon. All three control measures, purchased together in the Three Zone Protection™ Package, provide the safest, most cost effective way to help your salon meet and exceed OSHA and EPA Clean Air Standards and Guidelines.

The Three Zone Protection Package includes:

- Dust Plus Filter® • Chemical Source Capture System™ • “The One That Works”™ Salon Air Purifier

Lease all three components for under \$200 a month
Leasing arrangements available for up to three years.
Leasing includes Activated Carbon for
CSCS and “The One That Works”™ and filters for CSCS.

U-1st Certification includes

- U-1st Certified Salon Window Decal
- U-1st Wall Certificate to display in your salon
- A link on our website listing your salon as a safe-air environment.

The Aerovex Three Zone Protection System™ was chosen for recommendation by the National Association of Eco-Friendly Salons & Spas. Aerovex product contact information is listed in the Eco-Friendly Member's Source Guide.
